(Mother Teresa)

**WEEKEND REFLECTIONS**

On this last Sunday before the Lenten Season begins on Wednesday, both the first reading and the Gospel deal with the illness of leprosy, not exactly the subject we hoped to hear about on this Valentine's weekend. In Moses's day, leprosy was a sign of sinfulness and separation from God. But in the Gospel, Jesus reaches out and touches the leper. The leper is literally not separated from God at all, not even leprosy is a barrier to Jesus' healing touch. As members of the body of Christ, it is now up to us to break through those barriers. How will we do this as we journey through Lent? Let us begin now to listen to the word of God and take St. Paul's words as a true Lenten challenge: "Be imitators of me, as I am of Christ."

**REST IN PEACE**

The parish community or Ruma and Rocher would like to offer their prayers of PEACE to the family and friends of Allan McCarthy (Joan Smith's brother). May he share in the Joy of the Risen Lord.

**POPE FRANCIS SPEAKS TO OUR HEARTS**

(Do I Create Unity or Division?) We must all ask ourselves: how do I let myself be guided by the Holy Spirit in such a way that my life and witness of faith is both unity and communion? Do I convey the word of reconciliation and of love, which is the gospel, to the world in which I live? At times it seems that we are repeating today what happened at Babel: division, the incapacity to understand one another, rivalry, envy, egoism. What do I do with my life? Do I create unity around me, or do I cause division, by gossip, criticism, or envy? What do I do? Let us think about this.

**WHAT IS LENT...THE BASICS**

Lent is the annual preparation for Easter observance—calling us to reform our lives and to open our hearts to the blessings God has promised to bestow on us. Lent begins Ash Wednesday and ends on Holy Thursday evening when the Triduum begins. **WHAT SHOULD I DO?** Take the necessary steps to get yourself on the road to conversion and spiritual renewal. To help you do this the three main Lenten disciplines urged are prayer, fasting and almsgiving. We are invited during Lent to practice these disciplines often. But these aren't just chores we must do because the Church strongly urges them; they are above all opportunities to grow in faith and in love for God. **SHOULD I SET LENTEN GOALS?** Absolutely. Reflect prayerfully about your Lenten resolutions before making them. Be modest. You may be setting yourself up for disappointment if you set unrealistic goals. And doing a little with love and devotion is spiritually more beneficial than trying to do much but doing it halfheartedly.
