**By Fr. Sebastian**

The first reading of today (Habakkuk 1:2-3; 2:2-4) sees the travails of the just one in the midst of so much inequality, upheaval and ruin. Waiting upon the Lord requires patience, diligence, faith and commitment. There will be uncertainties, delays and hiccups. But God's time is the best and we will never be disappointed.

In the second reading (2 Timothy 1:6-8, 13-14) St Paul encourages Timothy to build upon the gifts of God he received. It is the spirit of power, love and self-control, rather than the spirit of lawlessness and licentiousness. This gift has to be guarded with the help of the Holy Spirit that lives within us.

We see in the Gospel (Luke 17:5-10) where the Apostles begged Jesus to increase their faith. Christ told them the impact of faith in their lives but used a parable to remind them that it was not possible to have faith in God by overlooking the commandments. In the commandments, lie our strength, faith, decision and commitment to God.

**All the priests in our diocese will be away from Monday the 3rd of October to Thursday the 6th of October for our convocation in Belleville. So there will be no weekday masses during that duration. Do keep us in your prayers. Amen.**

Hand sanitizing for these ministers before and after their ministry is still strongly encouraged. Considering matters of health and hygiene, the option for Communion from the Chalice in the Diocese will be reviewed in the Spring of 2023. Until that time, the chalice will not be offered to the faithful.

Following this Mass, Young Adults (ages 18-29) are invited to the Undercroft for a social with the opportunity to engage in conversation with the Bishop.

**THE GIFT OF FAITH**

Faith is a gift. When the disciples asked Jesus to increase their faith, they were going to the source of that faith with their request. God is the giver of all good gifts, including faith. When we put our faith in Christ, we believe that God is with us, even though we cannot physically see God. Or can we? If we are attentive, we see the evidence of God's presence in the love of family and friends, care poured out in service of our neighbors, the living beauty of creation. This is not blind faith, but rather is the result of seeing with the eyes of faith. Followers of Jesus look beyond what is apparent to see what is possible with the power and presence of the Holy Spirit within and among us.
