

PSR Opening Plans for School Year 2020-2021

Plan A. As long as PDR 134 is doing in person sessions

1. Remain in person. Tuesday mornings 7:15am – 8:30am
2. Each child/teacher should be spaced 6ft apart
3. Take temp and document in each class.
4. Masks must be worn at all times
5. Sanitize before and after each class
6. Provide hand sanitizer and extra disposable masks for each class
7. No snacks to be brought in and shared
8. Each child will have a box with their own colors/pencils/scissors and must not share.
9. Each Parent must provide a working email and phone number for your child's teacher to contact you for PSR purposes only.

Plan B. If PDR 134 goes to remote learning

1. Change meeting time to either Wednesday evening 6:45pm- 8pm or Sunday morning 8:45am and end by going to 10am Mass
2. We will still use the hall for classes and follow all the same regulations as **Plan A.** because we are able to space out and have less that the restricted number for a gathering.

Plan C. Totally at home learning.

1. The new books we are going to be teaching from have an online library that the teacher can use. We will then learn how to zoom or facetime or whatever to at least check in with our students.
2. Second grade will set up their own program to allow for the sacraments of First Reconciliation & First Communion at a later date, depending on the status of restrictions.

Mass-Children will follow the current guidelines set up for attending Mass.

1. No more than 4 people in a pew. Siblings will sit together
2. Mask will be worn
3. Children will receive communion with a mask, then step aside remove mask then return to their seat. Hopefully not touching everything as they go.
