If this is your child's first-time attending St. Joseph PSR we will need to know any sacrament(s) they have received and will need a copy unless they received the sacrament at St. Joseph.

Are there any details about your child that our PSR teachers need to know.

FYI- Jill Whelan will present a class called Sacred Space, it teaches our children that their bodies are a gift from God and are sacred and should be respected by all. It is required as part of the Child protection program for the Diocese of Belleville.

FAQS-

- Is there a cost for the PSR program? There is no cost for the PSR program itself, we just ask that you work a shift at our picnic and bring your child to church.

- How do we know if PSR is cancelled? We follow the school schedule. If PDR 134 is cancelled, so are we.

- What time does PSR start? The morning prayers begin at 7:15am. Doors open at 7:00am
